2. Distribution of Ethnic Groups in Soviet Central Asia.	18

CENTRAL ASIANS UNDER RUSSIAN RULE

A Study in Culture Change

ELIZABETH E. BACON

With an Introduction to the Paperback Edition by Michael M. J. Fischer

"Bacon has produced a landmark study of cultural change in Soviet Central Asia after a century of intensive modernization. She expertly weaves the historical, linguistic, geographic, political, economic, and cultural threads of the region into a fascinating narrative with well-selected photographs and extensive bibliography, highly recommended to specialist or generalist alike."

—*World Affairs*

"This well written book points to an interesting selectivity in the adoption or, on the contrary, rejection of an imported material culture."

—*Royal Anthropological Institute*

"This objective readable account will be a useful addition to literature on Central Asia. The book is well documented with an extensive bibliography."

—*The American Political Science Review*

"*Central Asians Under Russian Rule* is at the same time a useful compendium of facts on the native cultures and customs of the pastoral and oasis peoples, and a survey and assessment of the changes wrought in their ways by Russian and Soviet influences."

—*International Affairs*

The late Elizabeth E. Bacon was Professor of Anthropology at Michigan State University.

Michael M. J. Fischer is Professor of Anthropology at Harvard University.
