In the name of Allah, the Beneficent, the Merciful.

Allah says, "And hold fast, all of you together, to the cable of Allah, and don't separate."

"You should seek the abode of the Hereafter in that which Allah has given you, and don't neglect your portion in this world."

The Prophet Mohammed (God's blessings be on Him) says, "Work for your present life as if you would live forever. Work for the other life as if you were to die tomorrow."

Jubilant greetings to the coming of the 15th century of Hegira. With the help of Allah, may the unity of Muslims all over the world grow and greater victories attend the struggle to oppose injustice and aggression and to safeguard world peace.
