Holy Wars Crusades Jihad

(1)
Jihad

By: **Jalal Abualrub**

Edited by: **Alaa Mencke**

The topic of this book is unique in that it contains comparison between the Torah, the Gospels and the Quran regarding rulings of Jihad and Warfare. The book then goes on to explain the Islamic concept of Jihad as a continuation of the tradition of Prophets of old, such as Prophet Moses, peace be upon him. Jihad is not synonymous with Terrorism. It does not mean, 'Holy War.' It is an Islamic act of worship that is plain, simple, well-defined and restricted by a set of limits beyond which one transgresses the limits of Allah (God). For those who seek to break free from the myths and misconceptions about Islam, the Quran, Muhammad, peace be upon him, and Jihad; For those who seek the truth, we present this book.
