#### Gratitude for Knowledge (Shukr al-'Ilm)

One of the ways to become thankful for knowledge is to visit many scholars who teach you that which you do not know. You will acquire from them [new knowledge]. Thereafter, when you visit different scholars and they teach you that which you already know, you will say: "Thanks to God, I did not know this knowledge until I learned it from so and so. Now I know it." If you do so you are then thankful for knowledge.

Abū 'Ubayd
