## **The Soviet Model And Underdeveloped Countries**

*Charles K. Wilber*

Constructs the model of economic development implicit in the Soviet historical experience, evaluates its costs and success in Russia and considers these strategies in relation to today's underdeveloped countries.

*Spring*

**\$7.50**

## **The Great Friendship**

**Soviet Historians On The Non-Russian Nationalities**

*Lowell R. Tillet*

A clear explanation of the process by which the Communist party controls Soviet historiography, based on a study of their treatment of nationalities as designed to establish the myth of friendly relations between Soviet nationalities.

*Spring*

**\$10.00**

## **Marxist Philosophy**

**A Bibliographical Guide**

*John Lachs*

More than 1500 entries stressing critical and expository works, treating all the philosophical issues of dialectical and historical materialism. Covers the English, French, and German literature.

**\$5.00**

## **Planning Reforms In The Soviet Union, 1962-66**

*Eugene Zaleski*

"A survey of the main features of recent Soviet economic reforms, coupled with a sober interim evaluation. Concisely and lucidly written, richly documented, and supplemented with several charts, it is a useful volume on a timely topic."—*The Journal of Politics*.

# THE UKRAINIAN QUARTERLY

A Journal of East European and Asian Affairs

Established in 1944

**The Ukrainian Quarterly** is a journal dedicated to East European and Asian affairs. During the twenty-five years of its existence, the **Quarterly** has acquired an international reputation for objectivity and competence in its articles, editorials, abstracts and book reviews pertaining to the political, social, economic and cultural trends and problems of the nations within the Eurasian sphere.

Although in its treatment of Central and Eastern Europe the **Quarterly** places special emphasis upon Ukraine, editorial perspective includes the other captive nations located in the Soviet Union or its peripheral domain.

The **Quarterly** is an intellectual resource accessible by reason of its broadly conceived and diverse subject matter to all who subscribe to the principles of human dignity and freedom for all nations and peoples regardless of color, creed or national origin.

The contents and style of the **Quarterly** are such as to meet the requirements of both scholars and laymen. Source references and relevant quotations are common, but the presentation is such as to be highly readable for all with a general educational background.

Among subscribers and readers of the **Quarterly** are found statesmen, scholars, students, journalists and political analysts in Europe, Asia, Australia, Africa and South America.

The annual subscription to **The Ukrainian Quarterly** is \$6.00 or \$1.50 per copy.

The **Quarterly** is published by the Ukrainian Congress Committee of America, Inc., a national organization of some two million Americans of Ukrainian background.
