FOREWORD

This publication was prepared under contract for the Joint Publications Research Service, an organization established to service the translation and foreign language needs of the various federal government departments.

The contents of this material in no way represents the policies, views, or attitudes of the U. S. Government or of the parties to any distribution arrangements.

PROCUREMENT OF JPRS REPORTS

All JPRS reports are listed in the Monthly Catalog of U. S. Government Publications, issued by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C.

Scientific and technical reports may be obtained from the Sales and Distribution Section, Office of Technical Services, U. S. Department of Commerce, Washington 25, D. C. These reports and their prices are listed in the Office of Technical Services semi-monthly publication, Technical Translations.

Social science reports bearing the designation SS-C, SS-E or SS-R are distributed for scholarly uses to the repository libraries listed in such reports under grant/subscription arrangements with the following academic councils:

SS-C (Communist China) reports: Social Science Research Council, 230 Park Avenue, New York 17, N. Y.

SS-E (Eastern Europe) and SS-R (USSR) reports: American Council of Learned Societies, 345 East 46th Street, New York 17, N. Y.

Queries concerning participation in any of these arrangements should be addressed directly to the appropriate council listed above.

Photocopies of any JPRS report are available (price upon request) from: Photoduplication Service, Library of Congress, Washington 25, D. C.
